POST EASTER STUDY – “EVERYTHING MUST CHANGE”

This study is based on Brian McLaren's book of the same name.

“Our world faces unprecedented challenges and crises and the church will either be part of the problem or part of the solution. To be part of the solution, followers of Christ must be ready for a bold new adventure of faith and action.”

Groups did this study during 2009. It sparked great debate and interest about what the life and teachings of Jesus have to say about current societal and global issues.

To have read the early chapters of the book, prior to the study commencing, would be advantageous.

Copies of the book are available from Koorong - Book Shop at 4-8 Vicki Street, Blackburn South 9262 7444. The older edition (2007) is satisfactory and has recently been on sale for \$10. WORD Book Store in Moncrief Road Nunawading also has copies – check for price.

Some copies may be available on loan. For availability please contact Herb Fleming on 0407 516 827.

## NEW CHURCH WIKI

Over the last two weeks, you will have seen an announcement in the Bulletin about the new church wiki, hosted at the new permanent location:

wiki.gwuc.org.au

There are now over 200 pages of information relating to the Glen Waverley Uniting Church and its activities. The wiki pages are open to everyone in the church, and church groups are particularly encouraged to build their own wiki pages to report on past events, and announce forthcoming events.

Over the coming weeks, I shall be including some helpful information on how to get started using the wiki. All of this information is taken from the wiki pages themselves, so once you get the hang of it, you can go exploring for yourself.

### **Create a Username and Password for Yourself**

You will need to do this to access certain pages in this wiki:

1. Open a web browser, and type in the address above: [wiki.gwuc.org.au](http://wiki.gwuc.org.au)
2. On the home page, scroll to First Time Visitors, and click on the CreateUserAccount link. (This will open in a new window, so move it so that you can see these instructions).
3. Fill in the details, and then click 'Create Profile'. (Make sure you write your name in the style FirstnameLastname, with initial capital letters and NO space!)
4. Click on the 'Login' button at the top of the page to now validate yourself. (You should do this every time you visit any of these wiki pages. Most browsers will allow you to remember your details automatically).

You can also visit the HelpOnLogin page for more help.

### **Visiting a Page**

A Wiki page is just a web page, so you can use any web browser you like to view wiki pages. They have the same means of access as ordinary web pages - a URL, or Uniform Resource Locator (sometimes pronounced as "earl"). This page, for example, has a URL of <http://wiki.gwuc.org.au/gwuc/HowToUseTheChurchWiki>. (Try it!)

Anytime you want to visit a page in this wiki, simply enter the URL in this form, replacing the HowToUseTheChurchWiki with the page name that you want. This is also the way you send the address to anyone else, so that when it appears in their email (for example), they just click the link and the web browser does the rest. This is also the way you should see wiki pages quoted in the ChurchBulletin.

**Fair Trade – Kenana Knitters**

The stall is welcoming some new items to the table. While in Kenya we were privileged enough to visit Kenana Knitters that was formed with the social aim of giving income to local families and allowing the women to work. It is locally grown and sourced wool, naturally hand dyed and knitted by women who are paid ethically and fairly. We are buying from a direct supplier so you will be pleased to know that as much of the money as possible goes back to the women who make the products.
