Solar Panel Installation - 17 to 21 March

Glen Waverley Uniting Church is installing Solar Power during the week of 17 to 21 March. During this time there will be car parking restrictions, limited access via the main entrance ceremonial driveway and workmen on the roof of the complex installing solar panels. There may also be times when the power will be briefly turned off in the complex during the day.

We ask that you respect the changes to access and ensure you do not impede the installation team in any way. There will also be reduced Car Park parking and the ceremonial drive will at times be blocked by the construction vehicles. This may require you to drop your guests at the main entrance and reverse out of the driveway.

We apologise for this brief inconvenience and look forward to your understanding and cooperation.

Pancake Day

Thanks to all those who assisted with Pancake Day. We would especially like to thank cooks, servers, those who helped to set up and pack up, and Community Hub Volunteers who made hot drinks. It was a very successful day. We raised \$246 for Uniting Care.

Thanks also to members of the Children and Families group who gave us a donation. Alison Clarkson and Jan Clear
